## PRIZE WINNERS.

### Williamsburg Horses Capture Awards at State Fair.

The people of Kingstree and Williamsburg county at large have reason to feel exceedingly gratified over the live stock that is owned and being raised in the county, especially the horses, for out of the eight head sent from Kingstree to the State fair at Columbia last week five won prizes.

No mules, cattle, or hogs were sent, but we feel sure there are plenty of prize winners in this class browsing about over the county if they were on competitive exhibition.

The prize winners among the car of horses exhibited at the State fair from Williamsburg county were M F Heller's stallion, "Black Print," which won first prize in the 3-heat 2:20 race—\$127.50.

Mr Heller's "Wee Nee Boy" won third place in the pacing race—time, 2:15—\$30.00.

Miss Serena Lee's Shetland pony won two first prizes, amounting to \$40.00.

Mr Johnson Nexsen's bay mare

and colt won second prize of \$30.00, while the colt, exhibited in its individual class, carried off the first prize of \$20.00.

Mr F W Faurey's colt took the blue ribbon and first prize of \$30.00 for the best South Carolina raised harness horse.

These animals are now on exhibition at the Pee Dee fair at Florence and are more than apt to capture some of the prizes offered by that association. They will be on exhibition at the Williamsburg county fair here next week.

Since the above was put in type we learn that Mr Faurey's colt has taken two prizes at the Pee Dee fair in Florence. First prize for the best driving horse, contest open to the world, and first prize for best South Carolina raised harness horse.

Hon R H Kellahan, who is in a Florence infirmary, is reported to be getting along as well as his physicians expect under the circumstances. Mr Kellahan underwent a serious operation about two weeks ago for an infected gall bladder.

## WORD OF WARNING TO DEMOCRATS.

### BEWARE OF BLEASEITES' ATTEMPTS TO ELECT HIM OVER GOVERNOR MANNING.

To the Democrats of South Carolina:

My attention has been called to the fact that tickets for the general election are being distributed to voters in the counties with the name of Cole L Blease printed thereon in place of R I Manning, the regular nominee of the Democratic party for Governor of this State. In a speech before a convention of his friends in Columbia October 24, the defeated candidate in the primary stated that neither he nor his friends were bound by the result of the late primary election in which he was a candidate. This man filed a pledge to support the nominees, State and national, of the Democratic party, and when he voted took an oath to abide the result of the primary election and to support the nominees thereof. When the State committee met to tabulate the returns and declare the result, not a protest or contest written or verbal was made on behalf of any candidate.

This flimsy pretense of fraud without offering evidence thereof to the committee or to the courts of the State is simply an excuse to make a cowardly and covert attack on the regular nominees of the party. These ballots that are being distributed will be voted by some or they would not be handled in the various counties of the State. There are between 12,000 and 15,000 negroes registered. Unless the believers in a white man's government go to the polls and vote the regular ticket election day there is danger of its defeat or at least humiliation. I deem it my duty as State chairman of the Democratic party to sound this note of alarm and call upon all white men who remember the dark days of Radical misrule not to be caught sleeping on guard while these enemies of our civilization are assassinating the nominees of the party.

Our people have trusted white men to be true so long that they are hard to make believe that one could violate his sacred pledge or oath, but it is frankly admitted by some that they intend doing it and we must meet it like men. If candidates before the primary and voters thereat

bound by a solemn oath to support the nominees can violate their solemn oaths because they believe that improper means have been employed, without resorting to the party machinery or the State courts to correct the supposed wrongs, then every man is his own judge and jury and his only restraint is his own conscience. Can we afford to countenance such conduct as this? If so, then indeed our primary laws are not worth the paper they are printed upon and the safeguards of white supremacy are mere shadows. Not only is our State ticket menaced but there are three sets of presidential electors in the field and the defeated candidate openly states that he will not assist in electing Woodrow Wilson, the Democratic nominee for President. Could a more open bolter be wanted than this? Our nominees for State offices are all good and true white men with honorable records. Our nominee for President has done more for the country at large and the South in particular than any President since the War between the States. Their characters are unimpeached. Rally then to their support. Don't go to sleep while the perjurer votes. Be vigilant and see that every vote is cast and counted, this is your only safeguard.

JOHN GARY EVANS,  
South Carolina Chairman, Democratic Party.  
Spartanburg.

A \$30,000 fire occurred at Manning yesterday morning, destroying the mercantile establishment of the Louis Levi Mercantile Co.
